# Questions & Answers

## What is Dine-In?

We are a service that allows you to get food delivered from Michiana's best restaurants! Place your order with our service and we will make arrangements for the restaurant to prepare it and for a driver to deliver it!

## How do I order?

Look through the menus in this book, then call us at (574) 675-9999. A friendly order taker will answer the phone and guide you through the ordering process. Alternatively, visit our website to place your order online: [www.dineinonline.com](http://www.dineinonline.com)

## How much does it cost?

The restaurants ask that you order a minimum of \$10 worth of food. Restaurant food prices are the same as they would be if you picked up the order yourself\*. We add a minimal delivery fee, which covers your entire order, no matter how big or small. Menus and prices are subject to change at any time. To view the most up-to-date menus, visit our website.

DISTANCE*	FEE
0 - 3 MILES	\$3.99
3 - 5 MILES	\$4.99
> 5 MILES	\$4.99 + .50 / MILE

## How may I pay?

We accept cash, American Express, Visa, Mastercard, Diner's Club, Discover and corporate checks. Personal checks are not accepted. Orders paid via credit card will be authorized for the order total plus a potential tip, before being sent to the restaurant for preparation. Drivers carry only 20 in change, so we are not able to accept large bills.

## Should I tip the driver?

Yes. If your driver is friendly and courteous, please remember that he or she earns a living by your appreciation of their efforts. A 15-20% tip is customary for all orders. An automatic tip will be added to orders totaling \$50 or more, and to all prepaid orders.

## How long does it take?

We do our best to get your order to you as quickly as possible, usually within 45 - 60 minutes. Please take into consideration that restaurant preparation time, weather and traffic may affect us from time to time. We gladly accept timed orders hours or days in advance to help ensure your desired delivery time.

\* In most cases.

\* Distance is calculated by Dine-In software & maps.

\* A \$1 fuel charge may be in effect due to higher gas prices.

\* Dine-In has agreements with all of the restaurants in this guide, but acts independently and does not claim legal partnership or legal affiliation to those restaurants.

## What about drinks?

We offer a large variety of sodas in cans or 6-packs. We also offer lemonade, iced tea and bottled water. See back cover for a full drink menu.
